

ST. LUCIA CITIZENSHIP BY INVESTMENT PROGRAMME

UNLOCK GLOBAL MOBILITY, TAX ADVANTAGES, AND GENERATIONAL SECURITY

Established in 2015, this government-endorsed scheme offers a smooth, secure, and efficient path to acquiring St Lucian nationality through one of several approved investment options.

With its combination of political stability, tax-friendly legislation, and no residency requirements, St Lucia provides investors with a strategic solution for global mobility, asset protection, and legacy planning. Successful applicants receive full citizenship rights, including the ability to live, work, and travel as a St Lucian national.

WHY CHOOSE ST LUCIA?

There are no interviews, no mandatory visits, and no residency obligations—citizenship can be obtained entirely remotely.

The St Lucian passport grants visa-free or visa-on-arrival access to over **140 countries**, including the **UK, Schengen Zone, Singapore, and Hong Kong**. This makes it ideal for entrepreneurs, investors, and frequent travellers looking for greater international flexibility.

In addition to global mobility, the programme offers considerable tax advantages. St Lucia does not impose taxes on worldwide income, wealth, capital gains, or inheritance.

Citizenship is **lifelong** and can be **passed down to future generations**, allowing families to secure

their legacy and enjoy long-term peace of mind. Dual citizenship is fully permitted, and applicants may retain their existing nationality.

ELIGIBILITY AND FAMILY INCLUSION
